EXSM 3929: Digital Accessibility M1 Weekly Response

CCID: ccid, last name, first name
Due: Apr 29, 2023

Instructions

Make a **copy** of this document, **edit**, **export** as a **PDF** and **submit** on **eClass**.

Weekly response documents are **to be completed by Saturday evening (11:59pm)**. Each response document follows the same format; there are **four web resources** with **three talking points**.

The purpose is to help prepare you for our discussions on Tuesday evenings. To receive full marks visit each web resource, respond to the prompts, and submit on eClass.

This document will be marked out of **ten points** based on the following criteria:

DESCRIPTION	VALUE	MARK
Document is **submitted** with proper **ccid**, **name**, and **date**	2	
Document is **complete** with talking points **relevant to the course**	8	

Notes

Late submissions are received at a **reduced value**, see eClass for details.

Please **keep this cover page** attached.

Weekly Response

I'm not your inspiration, thank you very much

Link:
https://www.ted.com/talks/stella_young_i_m_not_your_inspiration_thank_you_very_much

- What barriers does Stella face?

- What changes to her environment could enable her to reach her greatest potential?

- Has your perspective of disability changed, if so how?

Welcome to Assistive Technology Success Stories

Link: https://www.copower.org/assistive-tech/at-success-stories

- Did any user story feel particularly impactful?

- Did you notice any patterns in the user stories or proposed design solutions?

- Do you have any personal stories you would like to share?

Disability Inclusion

Link: https://www.worldbank.org/en/topic/disability#1

- Do you have or know anyone with a significant disability?

- Have you felt any shift in your awareness of disabilities?

- How do you perceive the awareness of disability in your community?

Stories of Web Users

Link: https://www.w3.org/WAI/people-use-web/user-stories/

- Did any user story feel particularly impactful?

- Did you notice any patterns in the user stories or proposed design solutions?

- Do you have any personal stories you would like to share?
